### *A Unique Opportunity*

by Bob Doenges

ITP Tulsa Group Leader, Senior Mastery Teacher and ITPI Board Member

It has been a dream of ITP International to bring our Mastery training program to other parts of the country. This coming May, our dream comes true in downtown Chicago! Please join us for this unique opportunity to deepen your practice, enhance your leadership skills and be part of an inspired and supportive learning community.

ITP practitioners from all parts of the US and the globe—especially the “Heartland” and East Coast—have a special occasion to experience one of ITPI’s most successful on-going programs this May 29<sup>th</sup>–30<sup>th</sup>.

The Mastery Program fosters new ITP group leaders, teachers and practitioners, as well as fortifies the practice in new and compelling ways for many current leaders and group members.

Mastery Intensive highlights include:

- Exploration of ITP core practices including the Kata (45 minute series of mindful movement and meditation), Leonard Energy Training (LET) and the transformative power of ITP Affirmations
- Insights into the theory and philosophy that inform ITP, including focus on the cultivation of expanded capacities, such as intuition, evolutionary love and clairvoyance
- Body-based practices for transforming reaction into response and techniques for connecting skillfully and peacefully with others

All Mastery training materials, the new Kata CD and valuable research information on ITP are included in the training.

The Mastery Intensive cost of \$550 includes 2 nights lodging with breakfast and lunch in special accommodations at Loyola University’s downtown campus in Chicago. Arrive and check-in on Wednesday, May 29<sup>th</sup>, to experience the vibrant city of Chicago. The Intensive begins on Thursday morning and concludes at noon on Friday. Mastery teachers, along with ITP Trainers Pam Kramer and Barry Robbins, will present the training.

On a personal note, the Mastery teaching and training that our Tulsa ITP leaders and members have received have helped us form 3 different ITP groups (2 of which are now combined). Six of our members are Mastery graduates. We have a waiting list and are anticipating forming another group this fall under trained leadership. I can say unequivocally that our success in Tulsa is due to the Mastery program. Come to the Mastery Intensive and experience the extraordinary benefits of the Mastery program and share in the joys of practice with us!

Our learning adventures in Chicago continue immediately after the Mastery Intensive with ITPI’s annual event, **Leadership Transformed 2014: *The Practice of Social Action***, co-sponsored by ITPI and Greenheart Transforms, beginning the evening of May 30<sup>th</sup> and concluding on June 2<sup>nd</sup>. Please join us for both of these exciting events.
